REVEILLE

1955

President's Message

Fort Hays Kansas State College
Hays, Kansas

Office of the President

May 1, 1955

Dear Fort Hays Staters:

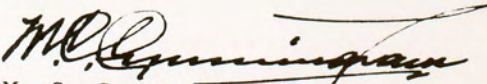

There are many things which go into the make-up of a college. It takes buildings, equipment and books, of course, but this Reveille tells the story of that other most important ingredient--the people and their activities during this year.

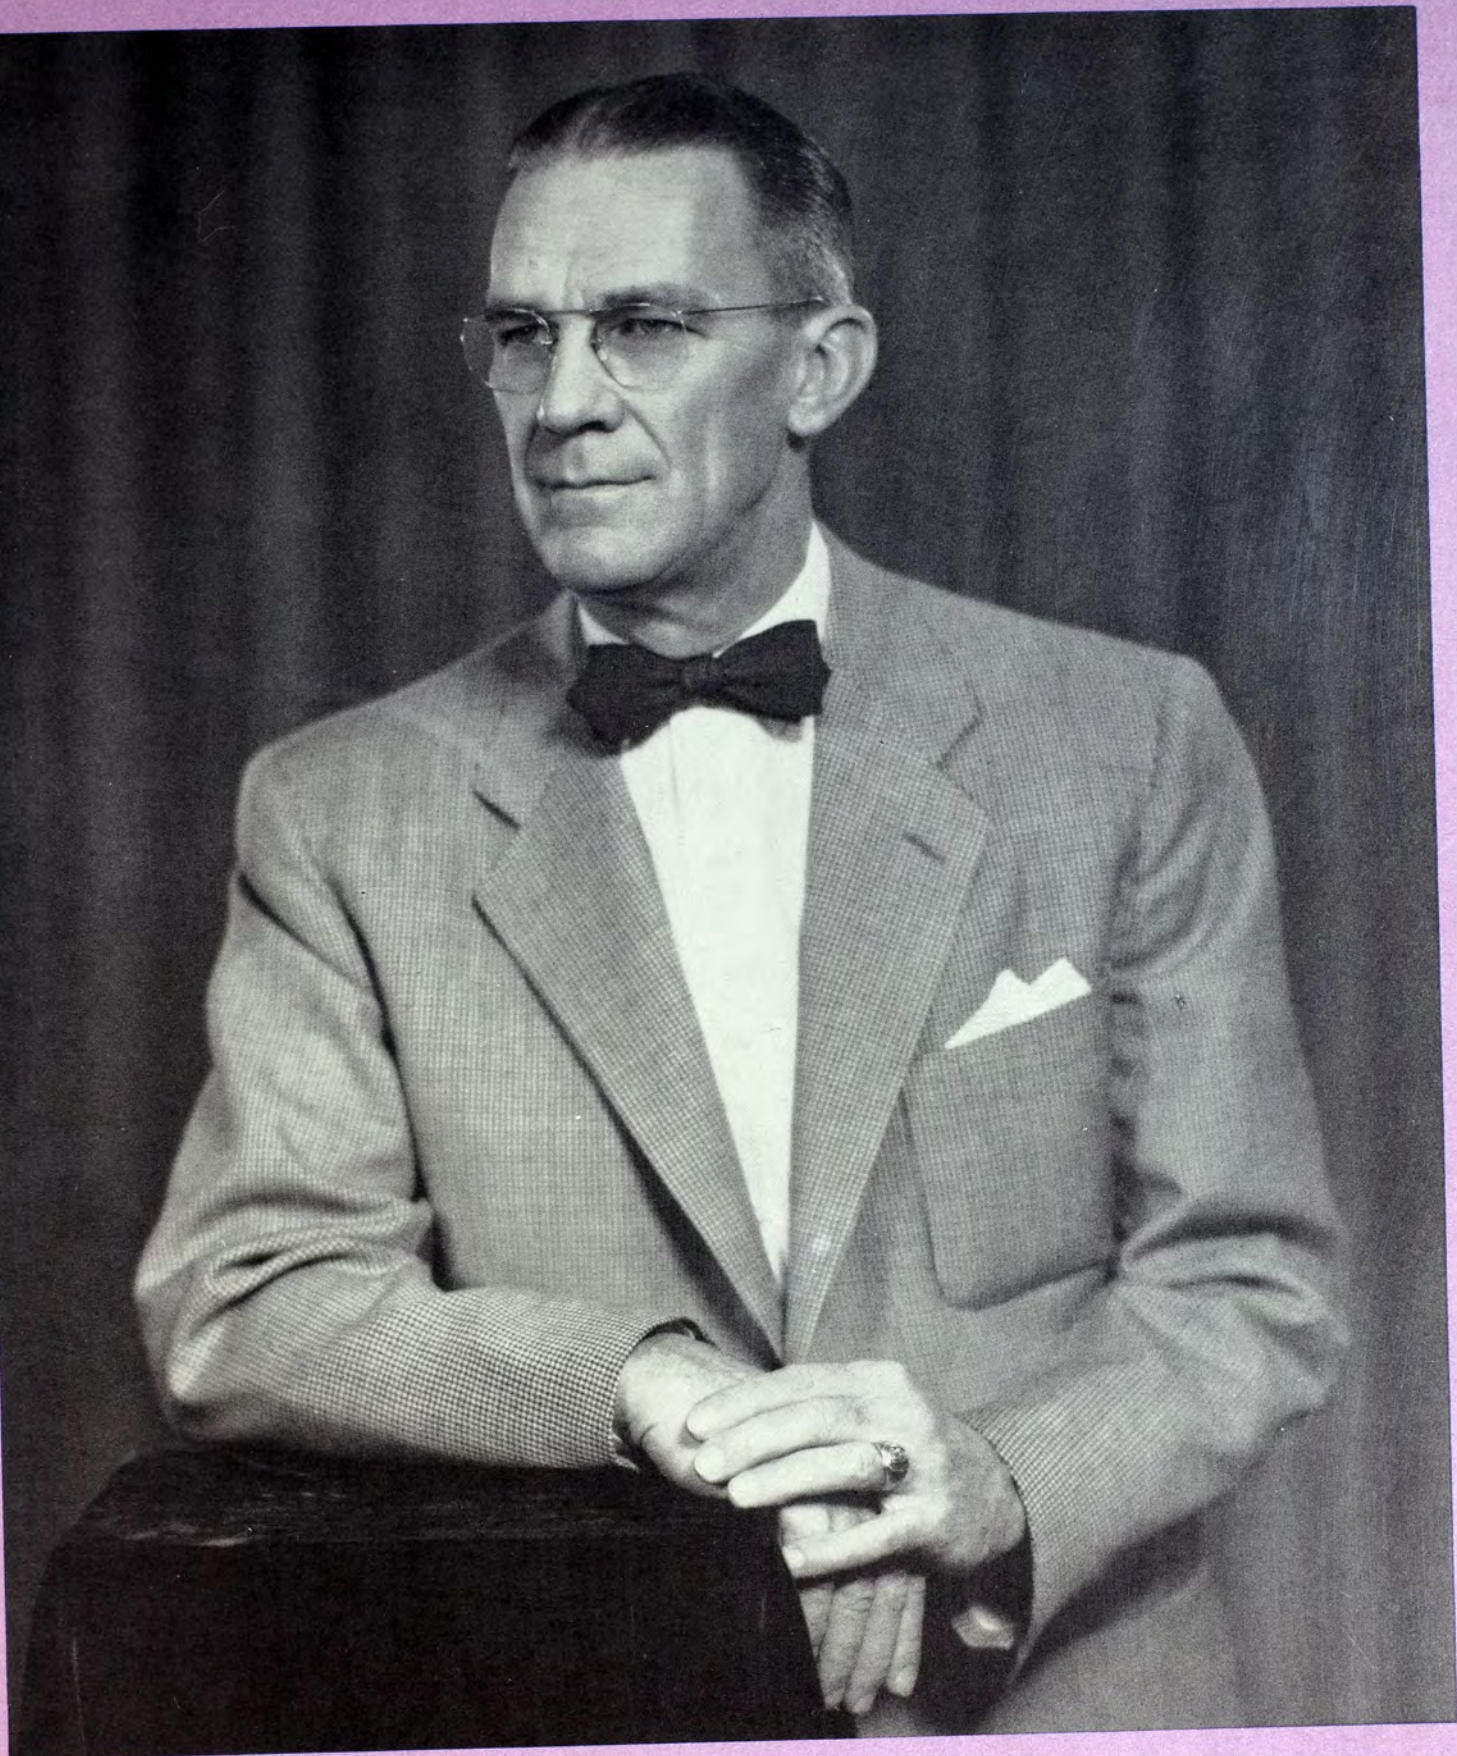

There can be no substitute for scholarship and good citizenship, but it is just as true that nothing can take the place of the friendships you have made, and the associations you have had with fellow students and faculty members.

In the years which lie before you great benefits, satisfactions and joys will come to you from the knowledge you have gained within the walls of Fort Hays State, and you will prize equally the friendships you have made with your fellow students--associations which you will value more highly as the years go by.

You are a fine group, and I am proud to be associated with you. You are the best generation yet--God bless every one of you.

Sincerely,

M. C. Cunningham, President

Dr. M.C. Cunningham

President of Fort Hays Kansas State College

This book is dedicated to Joel Moss, artist and teacher, in the hope that its style at least partially approaches the degree of originality he demands in a painting. A man whose works will continue to bring recognition to himself and his department, Moss is an artist of the modern school. Clearly not a follower of patterns, he is an ardent advocate of the "original" and instills his own love of experimentation and creativeness in his students. Coupled with his artistic ability is a directness and honesty that has won him friends on and off the campus.

Dedication

Joel Moss

A young man's life lies all ahead of him. For this reason, perhaps, he is less interested in what has been done than in what can be done; his affections are aroused less by the traditional than by the experimental.

This is a young man's yearbook. The 1955 Reveille is frankly, even proudly, experimental. We wanted to see what could be done. To emphasize the forward-looking nature of our attempt, we have grounded the design and composition of the book in the principles of modern art.

Much of any yearbook must follow certain traditions, imposed on it by the nature of the subject and the limitations of space. We have not attempted futilely to fight these conventions, but we have tried to see what might be done within them.

When compared with previous Reveilles, this book displays obvious differences: it is larger in size and has more pages. But the innovations which mark the 1955 Reveille lie even deeper. The colors—black and heliotrope—are untraditional; they were chosen because they are the fashion of the minute. Formal or symmetrical balance has been rigidly avoided wherever possible, in favor of a dynamic balance, appealing to the kinesthetic sense as well as to the esthetic. A functional use of line and free form has been attempted. Each page has been approached as a complex problem in design, to be solved only by as simple and graceful a composition as it was within our power to devise. Relationships between the subject matters of individual pages were studied, so as to enable us to proceed upon an organizational principle which provided even for transitions. Throughout the book it was our endeavor to provide pleasing rhythms of design, which would be made yet more pleasing by variations as skillful and as subtle as we could create them.

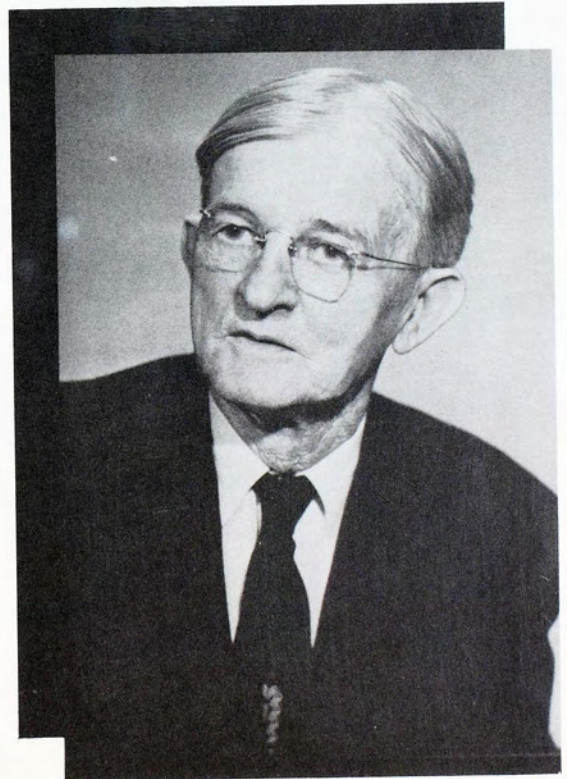

We feel, perhaps vainly, that the product, the 1955 Reveille, is a work of art—of modern art. Despite the hard work, despite the obstacles, our reward has been the joy of the creative artist as his materials take form under his hand. Our earnest wish is that you take as much delight in the 1955 Reveille as we have in bringing it into existence.

Buildings

Picken Hall was the first building on the campus. Except for an auditorium and some of the administrative offices, it is largely a classroom building, at present housing the departments of economics and business administration, languages, political science and sociology.

Sheridan Coliseum is an all-purpose building housing the gymnasium; the administrative offices of the president, the dean, the registrar and the business manager; the departments of music and health and physical education; and the college print shop.

Cody Commons, the college cafeteria and dining hall, is used considerably for social functions as well as for its primary purpose of serving meals to students and faculty.

Rarick Hall, formerly the Industrial Arts Building, was redecorated after the completion of the new Applied Arts Building and now contains the education and psychology departments.

Forsyth Library primarily houses the libraries of the college for which it is particularly well-planned. In addition, however, it furnishes quarters for the history department and the college museums.

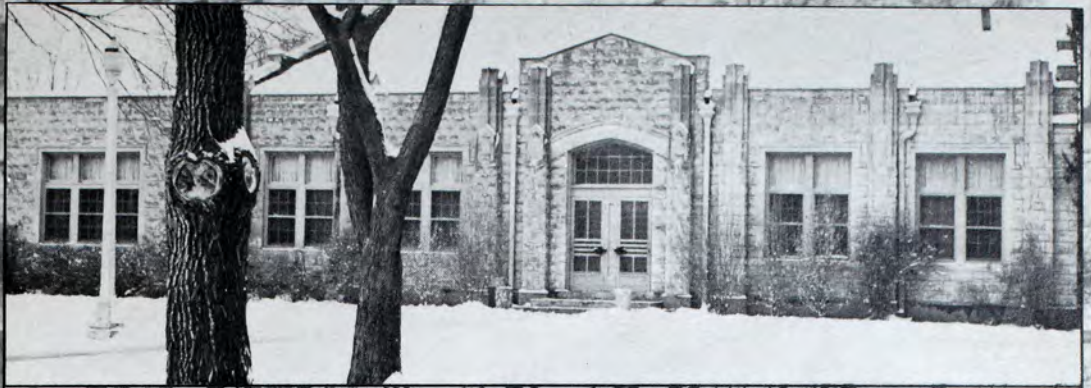

Science Hall was originally planned and built for the departments of chemistry, physics, astronomy, botany, zoology, and agriculture, to which have been added the departments of geology, mathematics, and nurse education.

Buildings

Social Building was the second building constructed on the campus. It was built as a gymnasium and auditorium in 1905. Later it was used for the library and finally came to its present use as a student social center.

Wesley Hall is a women's dormitory maintained by the Wesley Foundation. It accommodates fifty-four girls.

Applied Arts was constructed in 1952-53 for the purpose of housing applied art, home economics and industrial arts. It features many excellent areas for the display of projects completed in applied art and home economics.

The **President's Home**, completed in 1954, is located west of the campus. The home facilitates entertaining by the president and his family.

Custer Hall is a residence for college women just across the bridge from the quadrangle. Built in 1921, the dormitory was redecorated when the north wing was completed in 1952. Rooms and dining facilities are provided for 203 women.

Residence Hall is a men's dormitory. It provides accommodations for approximately 150 men. The center section was completed in 1954-55. A housemother for each of the three sections contributes to the welfare of the young men.

The State Board of Regents, by law, is the governing body of the five state educational institutions, Kansas University, Kansas State College, Fort Hays Kansas State College, Kansas State Teachers College at Emporia and Kansas State Teachers College at Pittsburg. Choice of the executive officer of each of these institutions rests with this body. This executive officer is, in turn, responsible to the Board for his school. Appointed by the Governor, each member serves a seven-year term.

Dear Mr. Zahradnik:

With great difficulty we have finally reached a decision in choosing your Reveille Queen and the two Princesses. Believe us, the choice was not easy as all the girls were most charming and attractive.

We have chosen the lovely girl Miss Kay Tucker as your Queen, and Miss Nadine Richmond and Miss Bernice Suiter as Princesses. If you had three queens our job would certainly have been much easier.

Thanks for asking us to be your judges and much good luck to you--and The Reveille.

Sincerely,

Who's Who in American Universities and Colleges

Nineteen Fort Hays State seniors have been elected to be recognized in the 1954 edition of "Who's Who Among Students In American Universities and Colleges." The students were selected from a group of 36 candidates who qualified by having a grade average of two point or above each semester while attending college.

Members of the student council, campus boosters council, and faculty made the final selections. Their decisions were based on qualities of leadership and extra-curricular activities, general citizenship, and promise for future usefulness.

Sports

Coach Ralph Huffman

C I C Co-Champions

Sharing the CIC crown with the Washburn Ichabods this season, the Fort Hays Tigers boast a record of seven wins and two losses. Coach "Red" Huffman (pictured left), head coach of the Tigers for nine years, may justly be proud of the Tiger eleven who showed the pride and spirit of a truly great team throughout the season.

Breaking into the spotlight and gaining individual honors in the state sports world were Jack Wolfe, Bill Shipman, Cletus Dreiling, Otho Sweazy, and Curtis DeBey, all five of whom were named to the Topeka Daily Capital 1954 CIC All-Star first team. Not to be neglected are Gilbert Pruyn, Jim Sackrider, and Marion Schmidt, who were named to the All-Star second team; and Ronald Miller, Toby Johnson, and Gene Jaco, who received honorable mention.

Approaching the Tiger's record statistically further substantiates the belief that this year was a good one in the football world for Fort Hays. The Tigers gained an average of 210 yards per game to their opponent's 133; scored a total of 27 touchdowns to the foe's meager 13 for the season; and scored a total of 180 points to their opponent's 87.

On September 18, the Tigers opened their 1954 football schedule against Omaha University, and bowed humbly to a defeat of 27-19. In the early moments of the third quarter, Omaha led by a score of 21-0, making an advantage that a determined Tiger rally couldn't overcome. A passing attack in the final minutes of the game made the Tigers appear near a victory to the Parents' Day fans, but the Omaha gridders, sparked by Bill Englehardt, went on to a 27-19 victory. For any doubters of the Tigers' superb team, it might be interesting to note that Omaha University beat Kentucky in the Tangerine Bowl in Florida New Year's Day by a score of 7-6.

Rebounding from their first game with Omaha, the Tigers defeated Southwest Missouri 6-0 at Springfield. Toby Johnson scored the only touchdown of the game on a four-yard sneak from his quarterback position. After scoring the first quarter, the Tigers tried everything from passing to field goals but failed to break the Springfield defense. But six points was all it took, and the Tigers saw their first victory of the season on that day, September 24. A week later, 1,625 band students saw a second Missouri team, Maryville, go down to the tune of 20-7 before a powerful Fort Hays squad at Lewis Field Stadium. There was little doubt in the minds of Fort Hays fans that the "ball had begun to roll" in their football world.

The Tigers opened their bid for the CIC championship in Winfield. A determined Tiger squad edged out an equally determined Southwestern team by a score of 14-7. With Jaco carrying and Bob Sweazy kicking, the Tigers found a lead of 7-0 in the second quarter. In the final minutes of the second quarter, the Moundbuilders came through with seven by Ortiz, and the half time score stood 7-7. In the third quarter, Otho "Tank" Sweazy drove the ball twenty-seven yards in two plays, setting up a touchdown for Johnson. Again Sweazy did his duty, and the score was 7-14. The Moundbuilders didn't give up, but a determined Tiger eleven held them to their one touchdown throughout the game.

On October 16, Homecoming, a capacity crowd at Lewis Field Stadium saw the Bengals trample a favored Pittsburg team 22-7. The most exciting run of the game was made by little 148-pound Gene Jaco. Jaco carried the pigskin 57 yards through, in, and out of a bewildered Gorilla team. The fourth quarter was scoreless, as the Tiger reserves held Pittsburg in check. The final gun sounded, and a happy bunch of alumni looked forward to a CIC championship.

On October 23, the Tigers made it three down and two to go by defeating the Emporia Hornets 20-6 at Emporia. It was the Tigers' game all the way, despite the Hornets' passing quarterback, Don Horiuchi, who hit 50 per cent of his attempts. The first two Tiger touchdowns came as a result of fumbles by Emporia. These were both carried over by Tank Sweazy in the first quarter. Tank's brother, Bob, kicked one of the two attempted conversions through the uprights to make the score 13-0. Tackle Jim Sackrider intercepted a Hornet pass in the last play of the first quarter carrying it 16 yards back to the 47. Neely, Tiger quarterback, carried the ball from the 47 on a 45-yard run to come close to pay dirt, but not close enough. A determined Hornet team held the Tiger eleven for the whole second quarter from the two-yard line. The half ended 13-0. The Tigers came back the second half and drove down the field to their third and final touchdown. Sweazy made good on the point, and the score was 20-0. In the last few minutes of the fourth quarter, Gritten hit McKeague on a long pass for the only Hornet touchdown.

St. Benedict's College, at Atchison, was the scene for the upset of the year in the CIC. The occasion was Homecoming for the Ravens, and the score was 12-13 for the Ravens. Little can be said in defense of the Bengals, except that the Tigers just weren't up for the occasion. Both Raven touchdowns were results of Tiger fumbles. Three times in the second half the Tigers bogged down on the one-yard line to lose the game 12-13.

One week later, in Hays, the Fort Hays Tigers proved themselves the best team in the conference beyond a reasonable shadow of a doubt by defeating the Washburn Ichobods 26-6, with whom they share the CIC crown. Scoring for Fort Hays were Sweazy, Jaco, Pruyn, and Neelly. Special mention should be given to Shipman, Wolfe, and Sackrider, who made themselves well known to the Washburn offense. Washburn's only TD came in the fourth and final period on a one-yard plunge. Tiger coach "Red" Huffman was carried triumphantly from the field on the shoulders of his "boys." This was merely another example of the close-knit feelings of the Tiger squad.

The Fort Hays State Tigers ended their season by walloping Nebraska State Teachers' College at Kearney to the tune of 41-14. Spectacular plays seemed to be the order of the day for the Tigers, and the reserves got their chance to show their defensive ability the complete fourth quarter. It might be interesting to note that the reserves held Kearney scoreless for the final period, giving an air of optimism to the coming season. In conclusion, it may be easily justified to say that Fort Hays has enjoyed one of the finest football seasons in the history of the school! and, from all appearances, we may look forward to the season of '55 with faith for another as good, if not better.

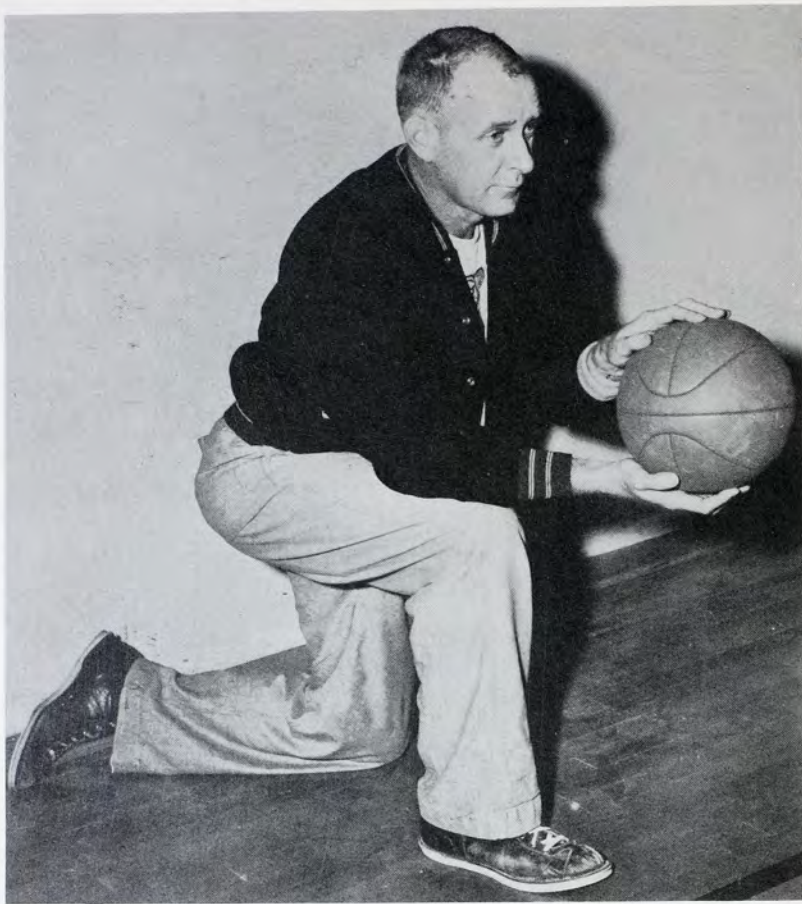

Somebody's got to have the ball!

Head Basketball Coach Cade Suran (pictured at left) ends this season with a record of 16 won and 4 lost, giving Cade 80% of his games. This is the best the Tiger cagemen have rated since 1943, when they won 14 out of 17, or 82%.

In his nine years of coaching at Fort Hays, Coach Suran boasts 131 wins against 66 losses. Cade received his bachelor's degree at Kansas Wesleyan University, playing on the varsity there for four years, holding top scoring honors his sophomore and junior years in the conference, and being named captain of the all-conference team. From college, Cade coached outstanding teams at Harlan, Downs, and Wellington high schools, before joining the Fort Hays staff. In 1947 Coach Suran became head Tiger basketball coach. Cade is also assistant football and track coach.

Cade's "boys" shared second place in the CIC this year with John Lance's Pittsburg Gorillas, after the Cinderella-like ascent of Southwestern to the CIC throne.

VARSITY

Pictured below is the Tiger A-squad. The varsity boasts a record of 16-4 this year, best in CIC for the year (total games played), and best for the Tiger hoopmen since 1943. **Standing left to right:** Director of Athletics Paul "Busch" Gross; Don Earley, 6-3 freshman from Formosa; Richard Bland, 6-5 sophomore from Larned; Marvin Andrews, 6-4 senior from Mankato; Gilbert Pruyne, 6-5 sophomore from Ellsworth; Melvin Christensen, 6-4 senior from Menlo; Joe Butcher, 6-3 sophomore from Cimarron; Bill Rupp, 6-3 senior from Hays; Dale Swisher, 6-2 junior from Gypsum; Nick Yunk, 6-1 senior from Osborne; and Head Coach Cade Suran. **Front row, left to right:** Jack Hiebert, 6-2 sophomore from Chase; Douglas Holloway, 5-11 freshman from Alton; Max Meuli, 5-11 sophomore from Hope; Jerry Anderson, 6-0 sophomore from Phillipsburg; Bud Moeckel, 6-1 senior from Sylvia; "Toby" Johnson, 5-10 sophomore from Solomon; Myron Meier, 5-9 sophomore from Salina; Melvin "Buddy" Gardner, 5-11 junior from WaKeeney; and Bernie Johnson, 6-0 sophomore from Brookville.

— Won 16, Lost 4 —

The Bengals enjoyed one of their best seasons this year, in both team and individual honors.

Besides boasting a record of 16 and 4 and a second place in the CIC, the Tigers won the championship in the Sunshine Tournament at Portales, New Mexico, and boosted two of its members to the all-CIC team.

Playing at Portales during Christmas vacation, the Tigers downed Taylor U. and Missouri Mines to play McKendree College in the finals. There was little to be denied the Suran five as they defeated McKendree 90-72, won the championship and a beautiful trophy, and added three more wins to their previous 5-1 record.

In the personal-honor bracket, we see Bud Moeckel gaining first berth on the all-CIC team; followed by Tiger center, Marvin Andrews, who was named to the CIC second team. Marv was second only in scoring average to Ray Potter of Southwestern. Marvin also broke his own total score record, of last year, by tallying 374 for the season, setting a new school record.

The Fort Hays Kansas State Tigers started their basketball season on the home court on December 2 against Southwestern Oklahoma, and triumphed over the Bulldogs 88-71. Their second game was played at Alva, Oklahoma. The Tigers, strengthened by nine returning lettermen, overpowered the Northwestern Oklahoma team 72-58. The following night, December 7, found the Bengals on the Wichita Wheatshocker court. The Tigers did as well as could be expected against the nationally rated Missouri Valley Conference team, but suffered defeat to the tune of 90-72. The rest of December was devoted to six more wins on the part of the Tigers, including three at the Sunshine Tournament at Portales, of which the Bengals emerged champions.

On January 4, Fort Hays played its first CIC game against St. Benedict's, at Hays. The Tigers rallied in the remaining minutes of the game, scoring nine points in the last seventy seconds of play to defeat a bewildered Raven team 74-70. On January 8, the Bengals met Emporia, at Hays, and defeated them 70-57. On January 14, the Suran five traveled to Winfield, and defeated Southwestern College by a narrow margin of 79-75. This gave the Tigers a total of eleven wins and one loss. In the CIC, it made a rating of 3-0, which made the Tiger fans mighty optimistic.

On January 15, the Tigers journeyed to Pittsburg to play the Gorillas in a game matching the two supposed "top CIC contenders." Coach John Lance, of Pittsburg, grilled the Tigers with his first team throughout the game in an entirely one-sided affair ending in a score of 108-62, favor of the Gorillas. On January 25, the Tigers, playing at Hays, thoroughly trounced a Northwestern Oklahoma State team to a final of 96-61. January 29, found Fort Hays in Topeka, pitted against the Washburn Ichabods. For the second time in the season, the Tigers defeated the Ichs. This time the final tally was 88-81. On the night of February 5, the Southwestern Moundbuilders made an unsuspected bid for the CIC title, by defeating the Tigers 82-74. On February 8, the upset in CIC play was slowly coming to a climax, as the Emporia Hornets upset Hays 79-73. At the same time, Pittsburg was suffering defeat at the hands of an inspired Southwestern team. Pittsburg State came to Hays four nights later, February 12, and suffered humiliating defeat to a team whom they had bowled over 108-62 a month before. This time both teams were "on the ball," and the Tigers won out in the struggle by a score of 77-73, in a well-played ball game. The Gorillas went on to lose their third in a row to Emporia a few nights later. Fort Hays easily defeated Washburn 81-69 on February 19, and closed their season against St. Benedict's on February 26, winning that encounter 84-64.

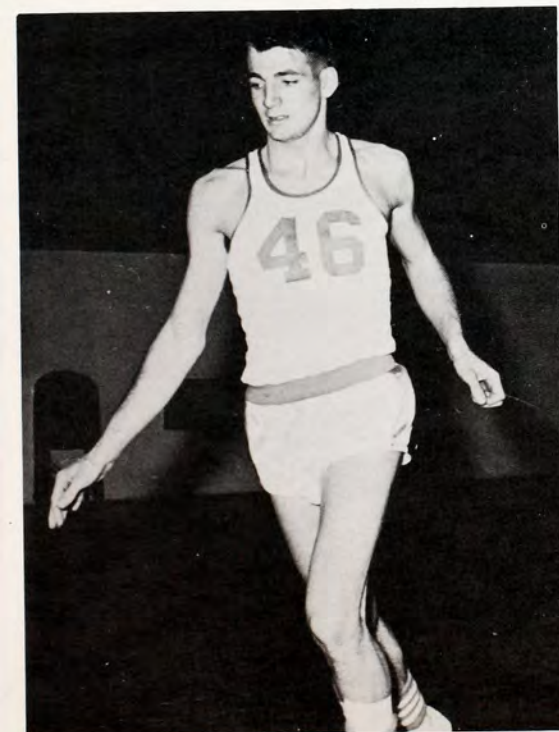

Thus the Southwestern Moundbuilders rose to glory with two CIC losses, while Hays and Pittsburg shared second place with three losses each. The end of the season for the CIC teams found the Fort Hays Tigers with the highest percentage of total wins in total games played, and a good season behind them, considering even the upsets suffered by the Bengals.

MYRON MEIER—5'9"

The high-scoring Tiger squad averaged 80.4 points per game during the year, hitting a good 39.4 percentage from the field and 67.7 from the charity stripe. The squad was dominated by seniors Melvin Christensen, Marv Andrews, Bud Moeckel, Bill Rupp, and Nick Yunk, who started most of the games for Coach Suran. Their loss will be felt in the Tiger camp next year, when the squad will boast only two seniors but will be loaded with sophomores.

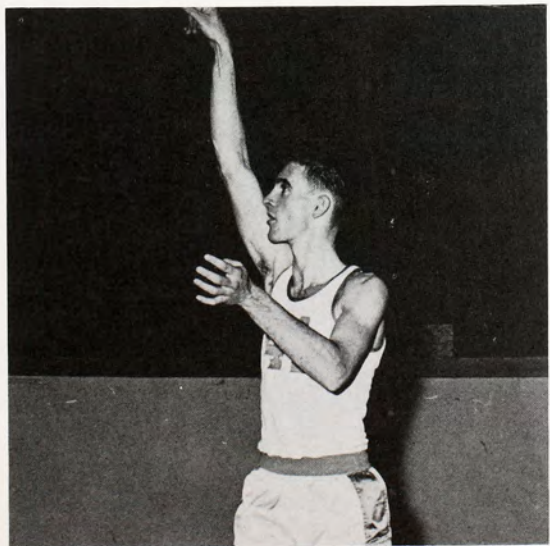

Scoring during the 20-game schedule was distributed as follows:

	Games	TP	Avg.
Andrews	20	374	18.7
Moeckel	20	334	16.7
Christensen	20	238	11.9
Rupp	20	171	8.5

Their 7-3 mark in CIC play left the Bengals with a 16-4 record for the season, the best showing of any team since 1943, when a squad coached by "Busch" Gross won 14 and lost 3. The two teams, this year's and the '43 quint, are the only squads to break the .800 point in modern history of basketball at Fort Hays State.

1954 Track

Alex Francis, track coach at Fort Hays State (pictured left with Don Finney, Tiger track manager and trainer), was a Fort Hays State graduate. Alex has been head track coach at Fort Hays State since 1946. In his first season as track coach, his cinder squad captured the Central conference title for the first time in the history of the school. The Tiger thin-clads repeated in the 1952 season to grab the title, after three seasons in second place and a 1948 tie with Emporia State for the CIC championship. For the last two seasons, his squad has been a power, taking second both years. Alex starts his ninth track season as head track coach, with the amazing record that not one of his teams in the last eight years has lost a single dual meet.

Pictured on the opposite page, are some of the Francis clan from the 1954 season. The five boys pictured were all CIC champions, and three of them competed to win national honors in the NAIA, at Abilene, Texas, within the last two years.

Year-in-Review

Fall enrollment created a new record, topping 1687 students, a thirty-two per cent increase over last year. Spring enrollment at Fort Hays State reached 1542. This represents a twenty per cent increase over spring enrollment a year ago.

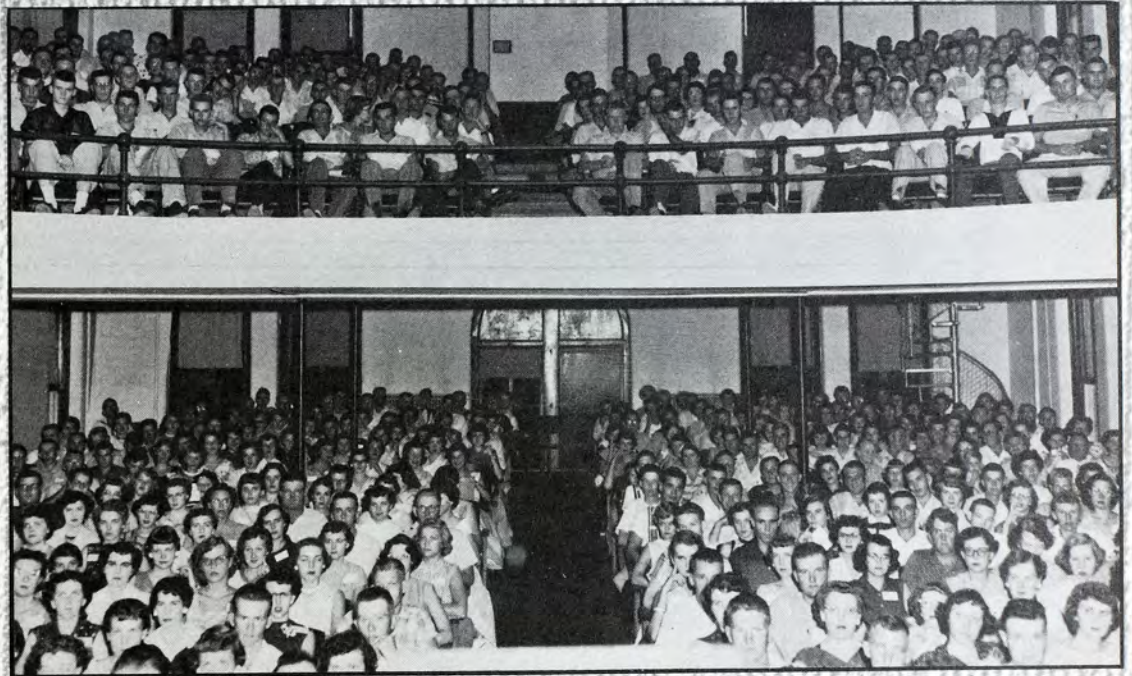

Enrollment And

Freshman Week started with the usual amount of activity. First the securing of the freshmen hats, or otherwise the consequences. New students crowded Picken Auditorium to hear an orientation program and made new friends at a picnic.

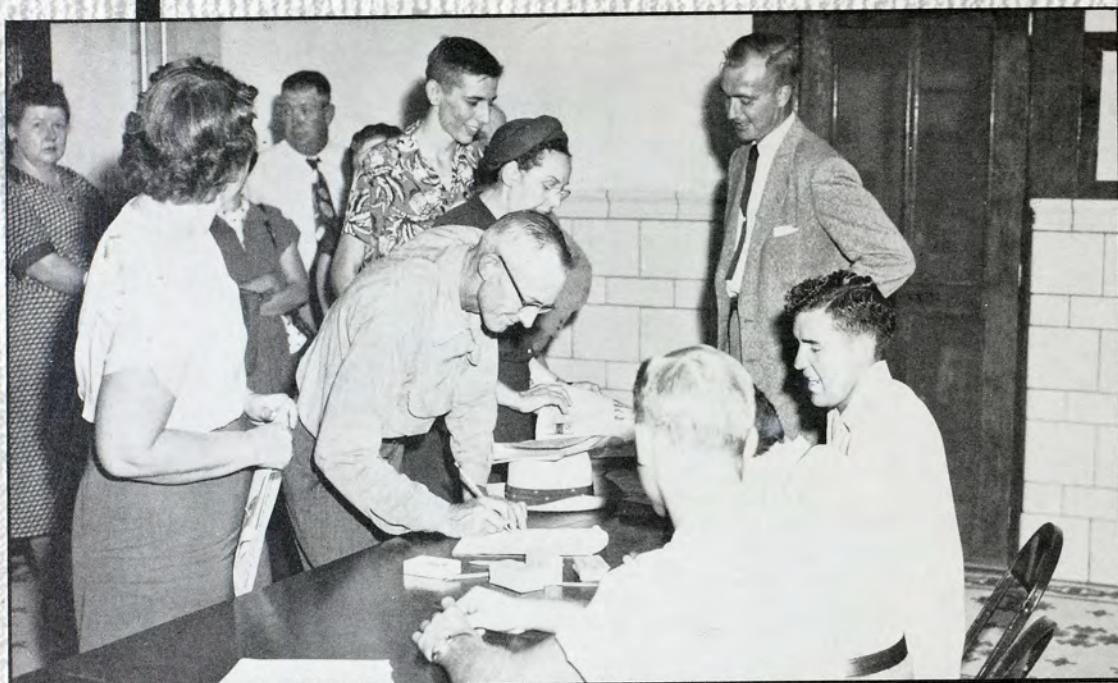

Freshman Week

Participating in the annual Parent's Day activities were over 850 parents of Fort Hays students. Activities included a welcoming address by President M. C. Cunningham, an afternoon program and attendance at the Fort Hays State-Omaha University football game.

Marine Band

The 156-year old United States Marine Band, the oldest military symphonic musical organization, conducted by Lt. Col William F. Santelman (right), presented two performances at Sheridan Coliseum, October 8, while on its fourteen state tour. Such tours were started in 1891 by John Philip Sousa.

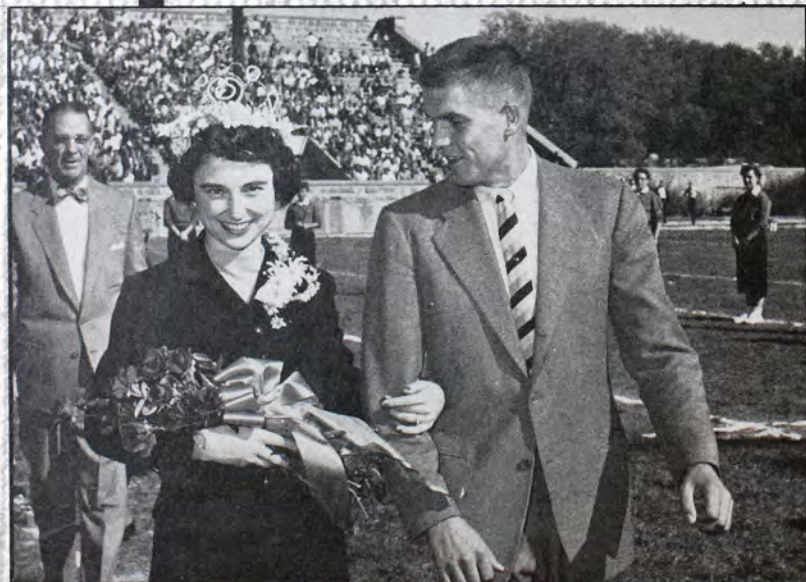

Joyce Renberger and Dotsie Tokushige were the two attendants for the 1954 Homecoming Queen.

The Sigma Sigma Sigma sorority went "Rowing to Victory" and won first place in the women's division of floats.

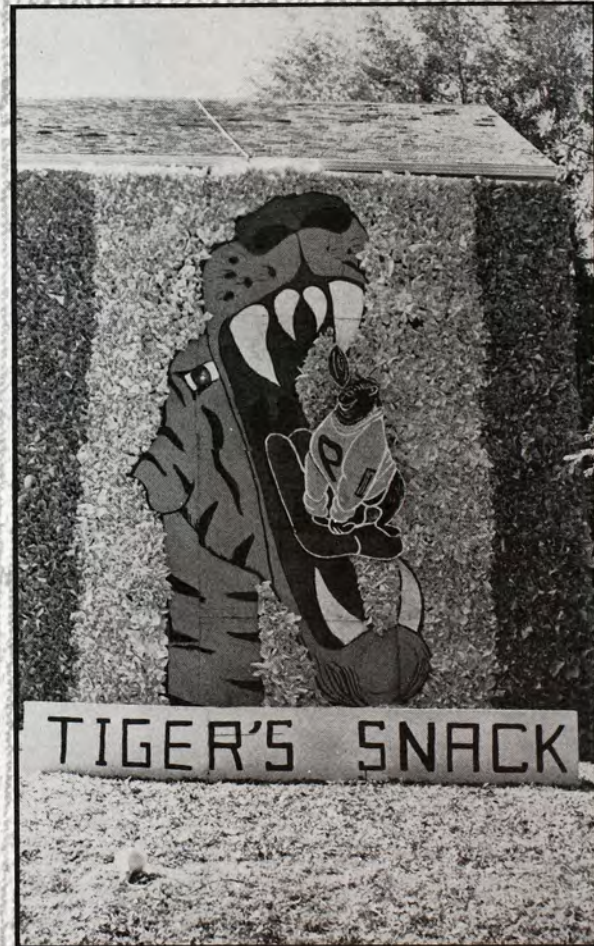

After being crowned Homecoming Queen of 1954 by president M. C. Cunningham, Shirley Thomas was led off the field by Allan Feist, student council president.

Homecoming 1954! The annual tug-of-war across Big Creek was a huge success as far as the Freshmen were concerned. Freshman beanies were permanently removed immediately following the game.

Twelve organizations entered house decorations and eleven entered floats which were judged in a highly competitive contest. The Alumni Association presented eight Homecoming plaques. First prizes in floats were Sigma Sigma Sigma, women's division, and Kappa Sigma Kappa, men's division. In house decorations first prizes went to Wesley Hall, women's division, and Tau Kappa Epsilon, men's division.

Homecoming

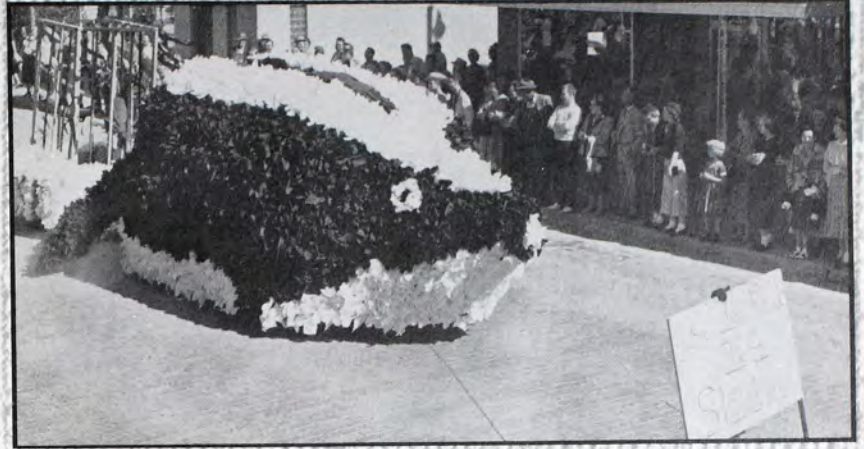

"Tiger's Snack" took first place in the men's division among the house decorations for the Tau Kappa Epsilon fraternity.

Shirley Thomas, Homecoming Queen, was crowned by President Cunningham at Lewis Field Stadium before the football game between the Pittsburg Gorillas and the Fort Hays Tigers. Attendants were Dorothy Tokushige and Joyce Renberger. Final score of the game was the Tigers—22, Gorillas—7.

The Homecoming Ball in honor of the queen and her attendants climaxed and brought to a close the Homecoming celebration.

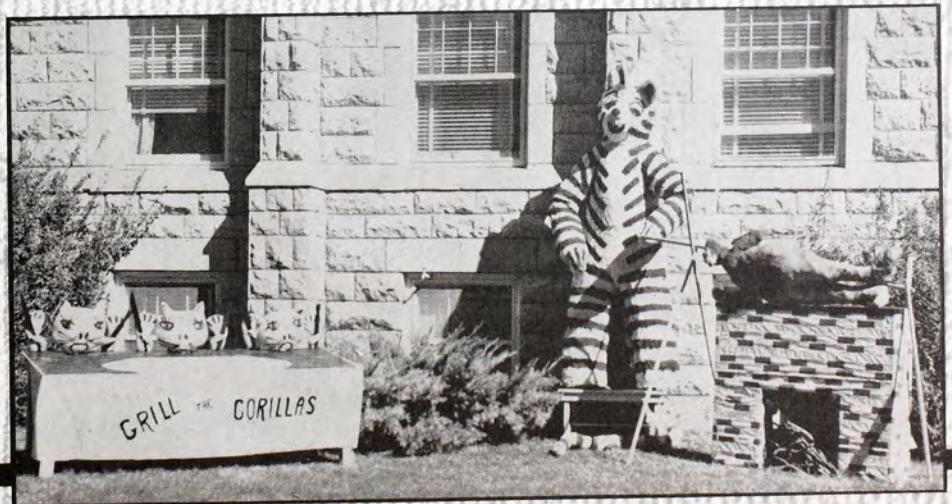

1954

A second place plaque went to the Phi Sigma Epsilon fraternity for their skunk that scented a caged gorilla.

Fort Hays State carries the pigskin toward the goal line.

Grilled gorillas were served at Wesley Hall for Homecoming and the girls won first place in the women's division of organized houses.

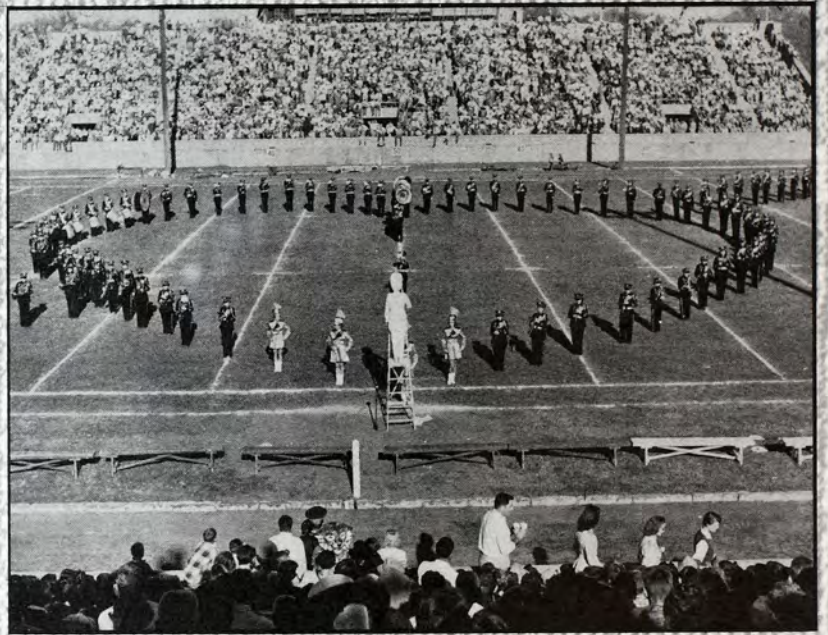

Homecoming

Fort Hays Singers produced a review on Friday night; one of their numbers was "Till the Clouds Roll By."

In the women's house decorations, "Kitten on the Keys" took second place for the Delta Sigma Epsilon sorority.

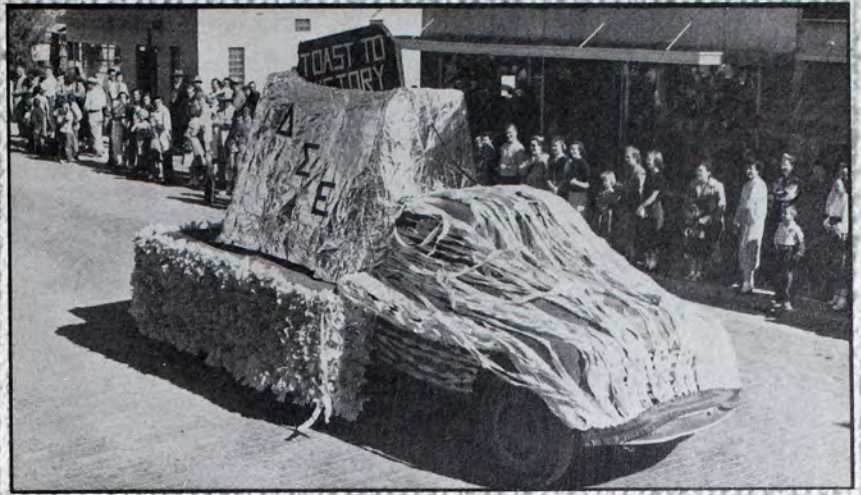

During the halftime of the Homecoming game, the Fort Hays State college band presented the musical story entitled "Love In Bloom."

Kappa Sigma Kappa fraternity boys won a first place plaque for their float entitled "We've Got 'Em in a Whirr."

1954

A "Toast To Victory" gave the Delta Sigma Epsilon sorority a second place in the women's entry of floats.

President and Mrs. M. C. Cunningham and president emeritus L. D. Wooster rode down main street in the Homecoming parade.

The guillotine at the Sigma Tau Gamma house took second place in men's division of house decorations.

"Three for Tonight" was one of the highlights of the year at Fort Hays State. A varied presentation of music, drama and dance, the program featured Marge and Gower Champion, Harry Belafonte and the Voices of Walter Schumann. Produced by Paul Gregory and staged by Gower Champion, the show played to a packed house.

Three For Tonight

Jean Destine, star and director of "Fiesta in Haiti," has devoted his life to the exploration of the native folkways of his people. He has been appointed by the Haitian government as director of the Troupe Folklore Nationale. Destine's program fuses the cultural traditions of Haiti—the African and the French.

The numbers presented in the coliseum at Fort Hays State ranged from the stirring "Revolt of Slaves" and the voodoo "Witch Dance" to the gay, light-hearted "Creole Mazurka" and "Congo Tropical."

Reveille Ball

The Queen and her two Princesses—Kay Tucker, Bernice Suiter, (left) and Nadine Richmond, (right) posed for the camera.

It has been a tradition in the past for the college yearbook staff to ask a movie celebrity or noted people to make the selection of royalty for the Reveille Ball. The judging is done on beauty alone from photographs sent to the selectors. This year Marge and Gower Champion, dance stars, agreed to choose the queen and her two princesses from the nine candidates.

Miss Kay Tucker was selected by the Champions as the 1954 Reveille Queen. She was crowned by President M.C. Cunningham and given a bouquet of roses and a large trophy by Gordon Zahradnik, Reveille editor. The Queen's two princesses were Miss Bernice Suiter and Miss Nadine Richmond. They also received trophies, presented by Virginia Hogsett, assistant editor.

Master of ceremonies for the evening was Carl Wells. The two numbers appearing on the floor show were Phyllis Watkins giving a reading and a group of Theta Sigma Upsilon girls with a skit called "Fraternity Man." Music for the dance was furnished by Ted Smith and his orchestra.

Students attended the annual Reveille Ball in the coliseum which was decorated in the colors black and heliotrope and lighted by candles placed on tables set around the arena.

Suspense was in the air as Gordon Zahradnik, Reveille editor, opened the letter from Marge and Gower Champion, selectors of the Reveille Queen and Princesses, telling of their choice.

Miss Kay Tucker was crowned Queen of the Reveille Ball by President M. C. Cunningham before a crowd of 250 couples who attended the annual yearbook dance.

There were nine candidates nominated by the men's organizations on the campus for the honor of Queen of the 1954 Reveille Ball. Kay Tucker was crowned Queen and Bernice Suiter (left) and Nadine Richmond (right) were the two Princesses. The other candidates were (left to right) Marilyn Miller, Dorene Powers, Peggy Raney, Virginia Pratt, Lois Wolfram, and Wanda Woodrow.

Constantinus Gerhard van Zijll de Jong, exchange student from Amsterdam, Holland, came to Fort Hays State on the annual UNESCO scholarship. "Tyn," as he is called by the students, has fitted himself well into college life and his study of forestry and wild life.

After his one year of study here, "Tyn" will go back to Holland to spend two years in the Dutch army before finishing study for his forestry degree from a college in the Netherlands.

President M. C. Cunningham welcomes this year's exchange student, Constantinus Gerhard van Zijll de Jong, to Fort Hays State as does Gordon Zahradnik, president of UNESCO.

New Arrivals

Members of the Student Personnel Committee sponsored a coffee for all new students enrolling second semester at Fort Hays State.

The coffee served as a get-acquainted occasion for the new students, and they were introduced to the members of student council; the class officers; and several of the faculty. They were also given some general information about the campus from President M. C. Cunningham.

Ethel Artman, assistant director of extension and placement service, poured coffee for the new second semester students.

Miss Jean Stouffer filled the position of Dean of Women at the beginning of the spring semester at Fort Hays State. Before Miss Stouffer came to our campus she was a member of the national Girl Scout field staff since 1946 and was assigned to Region VIII, which includes Iowa, Missouri, Kansas, Nebraska, Colorado, and Wyoming. While engaged in Girl Scouting she has been delegate from Kansas to an international encampment in Europe, served as an aide during the World Conference of Girl Guides and Girl Scouts in Cooperstown, New York, and was program director for a Western Hemisphere Girl Scout camp.

Miss Stouffer has earned two degrees from the University of Kansas, one in arts and the other in science. She received her masters degree from Syracuse University in 1950. While attending college she was honored with a membership in Mortar Board and Phi Beta Kappa.

Jean Stouffer, new dean of women (left), Marjorie Simons, retired dean of women (center) and Mrs. M. C. Cunningham (right) greet guests at the informal reception held in honor of Miss Stouffer and Mrs. Simons.

Carolyn Fisher, Carol Holsman, Juanita Kobler, Marcia Stagg, Carol Riedl and Gay Fritchie were candidates for Sweetheart Queen.

Candidates for Sweetheart King were (seated) Don Moore, Larry Neelly, (standing) Ray Newton, Curtis Fowler, Jim Sackrider, and Charles Evans.

Students danced in the gaily decorated men's gym to the music of Bob Berger and his orchestra.

Highlight of the Sweetheart Ball, February 11, was the crowning of the King and Queen of the Ball, Larry Neelly and Carol Holsman. The royal couple was elected by vote of the student body and introduced during intermission by the master of ceremonies, Bill Bigham.

Larry Neelly, crowned King of the Fort Hays State College 1955 Sweetheart Ball, places the valentine crown on his queen, Carol Holsman.

Leap Week, sponsored by UNESCO to raise funds for sponsoring a foreign student on this campus, was climaxed by the Leap Week Dance where Shirley Koerner was named Daisy Mae and Bob Eitel, Bearded Joe. Leap Week activities gave girls the opportunity to ask for the dates, open doors for men, walk on the outside of the sidewalk and observe other "gentlemanly" courtesies.

The Boston Pops Tour Orchestra under the direction of Arthur Fiedler presented a concert in Sheridan Coliseum March 3. Established in 1885, the orchestra has become well known through their many concerts and recordings.

Arthur Fiedler and The Boston Pops Tour Orchestra

The Boston Pops Touring Orchestra has been under the direction of Arthur Fiedler since 1930.

Members of the Touring Orchestra have appeared in Boston's Symphony Hall and have recorded on the Red Seal RCA Victor records.

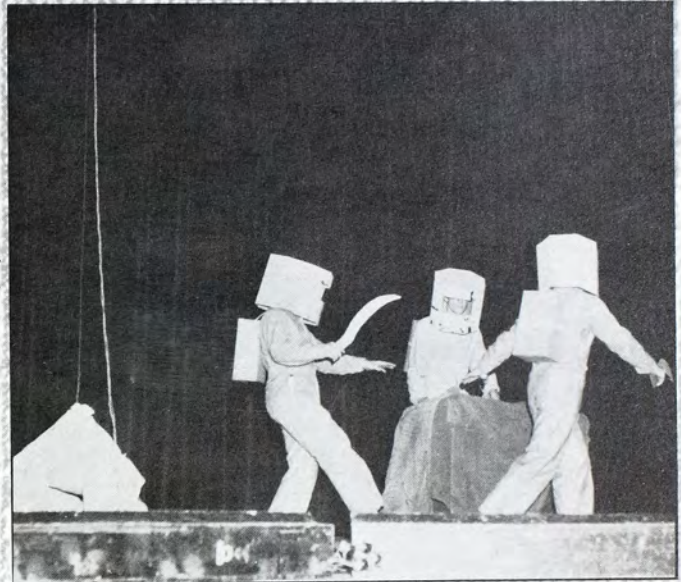

F. H. S. Follies

Dotsie Tokushige did a dance of her native Hawaii called "Lovely Hula Hands" with the aid of her Sigma Sigma Sigma sorority sisters.

Congratulations went to Colene Young on her rendition of "She's More to be Pitied Than Censured."

"Twenty-Thousand Leagues Under the Sea" was one of the most unusual acts of the evening. It was presented by the Little Theater.

Another top ranking performance was given by the girl's barbershop quartet from Custer Hall. The four girls are Deanna Peterson, Karlyn Brookhart, Virginia Nelson, and Sylvia Long.

A Few Words To The Students Of Fort Hays State

The reading of a daily newspaper is a broad education in itself. The daily paper affords a background of general information which no one can obtain in any other way.

Few college students need to be told this, it goes without saying, but there may be young men and young women attending Fort Hays State who do not know the Hays Daily News has complete coverage of world-wide, national, state and home news and pictures on every weekday except Saturday, and on Sunday as well. The Sunday Morning News also has local and national features and a comic section as well. The over-all news coverage provided is that of the Associated Press, the world's largest news-gathering agency.

FORT HAYS ANTHEM

On the plains of Western Kansas
Stands a school we all love well.
'Twas built by the toil of our fathers;
To its glory our voices swell.

Chorus:

Hail to old Fort Hays State!

Let your voices ring!

Praise for the Black and Gold

We will ever sing.

Long may our valor last

Through the future days,

Hon'ring and praising

Dear Fort Hays.

In the years that lie before us

We foresee our land's many needs.

Through the efforts of new generations,

We'll go on to more noble deeds.
